

PROHAYWARD

Universal Sealed LED Panel Underwater Light

»»» Model 5880 12 Volt
Swimming Pool Light

**EASY INSTALLATION IN ANY
US STYLE NICHE**

The ProHayward 5880 Universal Sealed LED Panel light can be retrofitted in any US style pool niche. The light is available in RGB color and White combo. Both models feature reliable SMD LED technology for long life and energy savings. With the RGB model you have 7 fixed color choices or 8 color changing shows. With the WHT model you have the option of cool bright light or warm white. The light comes with the required fasteners.

The ProHayward 5880 Universal sealed panel light is fitted with an LED panel that is completely encapsulated in a water tight resin. 252 bright SMD LEDs in 12V/18W provide dazzling pool lighting.

The light can be retroactively fit into any US style niche using the included fasteners.

Fits perfectly in a ProHayward
SP0600LED shallow niche

The ProHayward 5880 Universal light has a low profile of only 1.7cm and can also be installed in the ProHayward SP0600LED niche in new installations.

The ProHayward 5880 Universal light has a VDE compliant 2.0m cable and conforms to IP-68. The familiar ProHayward frame 27cm diameter has an embossed Hayward logo and is manufactured of rugged ABS with UV protection. The frame is designed to allow water flow to help eliminate stagnant water and provide effective cooling to assure longer lamp life of about 10,000 hrs.
